### **About Tempe Empty Bowls:**

Empty Bowls is a volunteer initiative of Tempe Community Council that brings together all facets of the community to raise money for and awareness of hunger issues.

Hand-crafted bowls, made by potters from the City of Tempe Ceramics Program, local artists and by Tempe area high school and middle school students, will be available for a minimum donation of ten dollars. With the purchase of a bowl, Whole Foods Market will offer a simple meal (symbolic of the caloric intake that must sustain many in the world for an entire day). On Saturday, additional bowls made by Tempe's youngest potters, will be available for \$1 at a designated children's area.

The Empty Bowls proceeds will benefit United Food Bank's Kids' Café program. This program provides a meal or nutritious snack to an estimated 300 children in Tempe each day.

The Tempe Community Council and the volunteer planning committee would like to thank the following organizations for their generous support of this event:

The City of Tempe, The City of Tempe Ceramics Program, Marjon Ceramics, SRP, The Edge 103.9, Tempe Elementary School District, Tempe Union High School District and Whole Foods Market.
